Spring Newsletter

As the days grow longer and warmer, we find ourselves deeply thankful as we reflect on the meaningful moments and cherished connections we've shared over the past few months. I hope these bright memories, like this new season, fill you with joy and warmth.

Spring has sprung!

Spring is a wonderful time of year, bursting with new life. In April, we had some new 'respite' residents when seven ducklings hatched from the eggs we had been incubating. We looked after our tiny friends for ten days and they delighted our residents with the feel of their soft, fluffy feathers and the sound of their little chirps. We love to create new experiences for our residents, and for some of them, it was their first time holding a duckling. Our residents adored spending time with the little birds and didn't want them to leave!

Egg-citing Easter fun!

Everyone made wonderful memories over the Easter weekend, especially at our children's Easter egg hunt. We invited our team members' children and residents' grandchildren to join us for a traditional egg hunt in our garden. Our residents enjoyed delicious Easter nests; and the children enjoyed a carpet picnic in the lounge. We also had an appearance from the Easter Bunny, bringing plenty of smiles!

Visit from a little friend

Our residents were delighted to receive a visit from one of our former 'Little Cherubs'. Ava has now started school so no longer attends our nursery sessions, but the six-year-old was keen to come back and visit her friends. Ava joined a few of our residents for a spot of painting and told them all about her new school. We think all of our artists did a fantastic job! The visit just shows how meaningful the connections between our residents and the children are.

Making memories

We held our first community Memory Café in March, aimed at stimulating positive memories for those living with dementia. It was wonderful to open our doors and welcome people from our local community. We were entertained by singer Edmund playing golden oldies on his guitar, and there was lots of singing and dancing. A lively game of musical bingo, with hits from the 60s was enjoyed by all. We can't wait for the next one!
