# ASHBROOK COURT CARE HOME

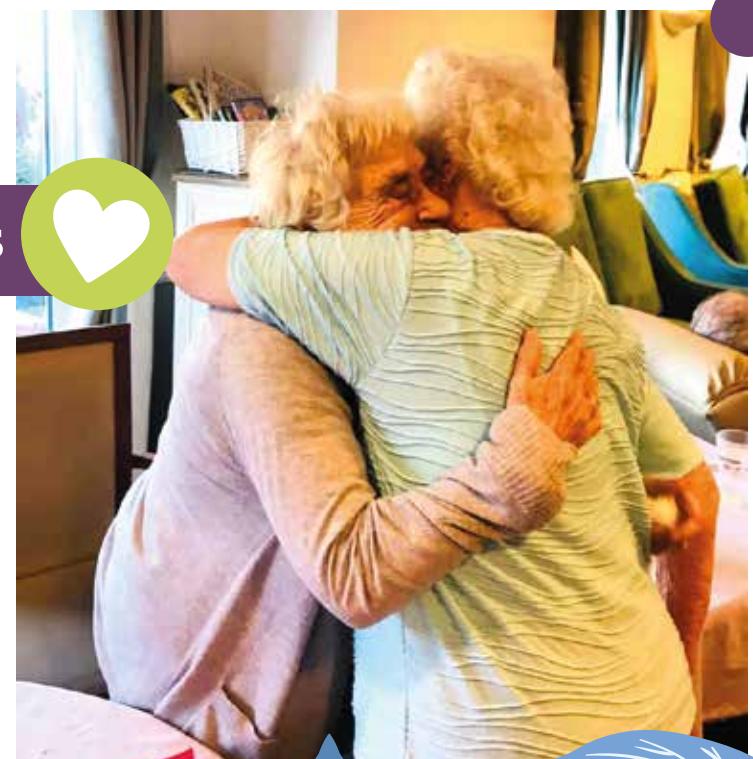

Dear friends

We hope, like us, you have been enjoying the winter festivities, cherishing the gifts of love and friendship as we look to the year ahead. Here is a little round up of what we got up to before we welcomed in 2022!

## A cosy autumn

The end of the year brought lots of fun to Ashbrook Court. We kicked things off with lively Halloween celebrations, crafting spooky spiders and dancing to The Monster Mash! Then in November our thoughtful residents marked Remembrance Day with poignant tributes within our home whilst celebrating the wartime spirit. As the nights drew in, we welcomed visits from Crystal and Magnus, Ashbrook Court's two adorable Dachshunds who love to pop by for a cuddle with our residents! Spending time with animals really brings so much joy and laughter, and we love to see how happy it makes everyone. Our fluffy friends loved the attention too!

## Wonderful friendships

The best part of living at Ashbrook Court has to be the deep friendships that are formed. Each day is filled with cheer and laughter, and it's no surprise being spent in the company of fabulous people! Whether we were enjoying the festivities of Bonfire Night, dancing to the songs of our visiting entertainers, celebrating a birthday, or simply catching up over dinner, our resident's days were made all the better this winter for having each other! The atmosphere in our home is what makes it feel like a family, and that goes for our team too! It's a joy to spend time with each of our residents, listening to their stories, sharing good times and creating new memories.

# Winter wonderland

As soon as December arrived our home was filled with festive cheer. Not to mention the sparkling trees, glittering garlands and festive decorations! We didn't just leave the decor to the professionals either, and had a wonderful time creating all manner of festive crafts in the run up to the big day! To kick off the celebrations, we took our residents on a trip to Winter Wonderland in Hyde Park and the local German Christmas market. Here we soaked up the atmosphere whilst tucking into bratwursts and mulled wine to the distant sound of jingle bells! Of course, when we returned home the fun continued, and it's been non-stop parties, carolling and feel-good movies throughout December - as it should be!

We wish you a Happy New Year from our home to yours.
